United States House of Representatives  
Washington, DC, Zip

Dear Representative (last name):

As a rural letter carrier in {city, state}, I am asking you to support H. Resolution 15 which has been introduced by Representatives Connelly and Graves. This legislation seeks to ensure a stable future for the United States Postal Service by protecting six-day mail delivery, a cornerstone of our beloved service.

Tens of millions of rural Americans would suffer extreme hardships if customers and small businesses lost a day to send and receive mail. A disproportionate number of elderly and disadvantaged constituents live in rural communities and rely on the consistency of the Postal Service to facilitate communication and deliver goods. Their livelihoods depend on receiving mail six days a week and would be severely impacted by the elimination of six-day mail delivery.

The Postal Service had its busiest holiday season on record seeing an 18% increase in parcels from the holiday season before. The Postal Service has proven to be an essential service to the American public, not just six-days a week, but seven days as well.

Slashing essential services will not lead to financial solvency for the USPS. The U.S. Postal Service is an American institution of enormous importance and continuing universal service for American businesses and households should be a top priority. I urge you to support H. Resolution 15 which would aid in the protection of the Postal Service. Thank you for your time and consideration.

Sincerely,
